### **Space & Naval Warfare Systems Center Awards Contract**

SAN DIEGO — ViaSat, Inc., of Carlsbad, Calif., is being awarded a \$30,000,000 hybrid firm fixed price and cost plus fixed fee contract for the production, validation testing and delivery of ultrahigh frequency (UHF) satellite communications modems, upgrade kits, terminals, ancillary equipment and control indicators. The contract includes repair and upgrade services, integration support and training services. The contract contains no options. Work will be performed in Carlsbad. The period of performance is from March 24, 1999 through March 23, 2002. Funding is from multiple sources. This contract was issued as a follow-on to a Small Business Innovative Research (SBIR) Phase II contract. Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-99-D-7000).
